CARING FOR YOUR COMPANIONS

Whether you are a new or an existing client, we would like to thank you for choosing our practice. Our aim is to provide the best possible health care for your pets in a pleasant, friendly environment.

We are committed to keeping abreast of the latest developments in modern veterinary practice – providing high-quality treatment at sensible prices. To enable pet owners to spread the cost of routine treatment, we have designed our own practice membership scheme – **The Moray Coast Premier Health Plan**.

THE MORAY COAST PREMIER HEALTH PLAN INCLUDES:

✓	Regular checks and maintenance of general health for your pet
✓	Convenient monthly payments for routine services
✓	Top quality licensed medication
✓	Discounts on additional services
✓	Optional Accidental Injury Cover
✓	Extended payment scheme

PREVENTION IS BETTER THAN CURE!

Our practice membership scheme provides you with the support you need to help your pets stay fit and healthy.

Regular visits mean that we have the opportunity to administer necessary vaccinations and dispense accurate and up-to-date worming and flea treatments.

In addition, an overall clinical examination provides you with peace of mind as we carefully monitor the general health of your pet and offer advice, support and treatment planning. This can reduce or prevent problems arising in the future.

Furthermore, the cost of maintaining the general health of your pets is distributed throughout the year by making monthly Direct Debit payments – it couldn't be simpler.

Whilst spreading the cost of routine treatments, you also qualify for additional discounts on other items in the practice.

Pets in the **The Moray Coast Premier Health Plan** can be covered for Accidental Injury up to £2,500 per incident up to a total of £5,000 in any 12-month period (an excess applies). This option is available for only a small additional charge per pet, per month.
